If more than one piece is part of the C.O.D. shipment, the C.O.D. label needs to be attached to only one piece, but the total number of pieces in the shipment should be indicated in the appropriate location on the C.O.D. label.
- ◇ Mark with a check in the appropriate location on the RDW/ASAP manifest to indicate the shipment is a C.O.D. shipment.
- ◇ All freight and C.O.D. charges are prepaid. Charges for this service will be included on the bi-monthly invoices. C.O.D. shipments cannot be sent collect.
- ◇ Notify your customer that they will be receiving a C.O.D. shipment from RDW/ASAP Express. Inform them of the amount, number of pieces, and the date and time to expect the shipment.
